Welcome to the Gawler Vets Community!

Gawler has always been a great place to live and work. It's always had a lovely feel and represents a wonderful place to be part of a really strong community. It's also a great place for pet owners, with parks, open spaces and many pet facilities available. Although we're a bit biased, we think you also have access to some fantastic veterinary care for your pets!

As one of the longest-established veterinary practices in South Australia, Gawler Animal Hospital has played a major role in maintaining the health and welfare of Gawler pets (and peace of mind for their owners!). Our fantastic team of experienced [vets](#) and [nurses](#) offer a [service](#) which is second to none in South Australia and so your pet will be really well cared for. We have an enormously experienced and capable group of people who are dedicated to looking after your pet's healthcare needs. There has always been a very friendly atmosphere at GAH and we pride ourselves on making both pets and their owners feel very much at home when they walk through our front door. Client service ranks very highly on our list of priorities and so you know you will be looked after just as well as your pets!

Welcome Voucher

As a welcoming gift, we'd like to offer you a **\$15 voucher** to be spent on any products or services we provide. To name a few things, this includes health checks, vaccinations, de-sexing, pet-foods and parasite control. Simply print out and bring this flyer with you, and the staff will be happy to credit this amount against your

invoice (new clients only, sorry!).

Appointments

All of our consultations are by appointment so please give our friendly receptionists a call on **8522 3500**
